

AActor

```
classDiagram
    class AActor
    class AMGInstancedMeshActorStatic
    AMGInstancedMeshActorStatic --|> AActor
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'AActor'. Below it is a box labeled 'AMGInstancedMeshActorStatic'. A blue arrow points from the 'AMGInstancedMeshActorStatic' box up to the 'AActor' box, indicating that 'AMGInstancedMeshActorStatic' inherits from 'AActor'.
